Why Join A Ski Club?

Want to have fun, travel, participate in outdoor activities & sports, socialize, go to parties and dances, and MEET diverse singles and/or couples?

If so, consider joining a ski club that does it all! Members are of a wide-age range and are into more than just skiing. In addition to new friends & a great social life, you will be introduced to life-long activities.

For skiers, ski clubs offer reasonably priced world-wide ski trips (US, Canada, Europe and more) with many close to home. Ski clubs offer instructional learn-to-ski programs. Besides skiing, ski clubs offer other co-ed sports (volleyball, tennis, golf, softball, etc.). In warm weather, clubs organize hikes, bike rides, camping, boating & white water rafting. Because of large membership & diversity, Ski Clubs offer more than just skiing & are often the best scene in town. Join the fun!
