Metropolitan Detroit Ski Council Event Responsibility and Policies

Responsibilities and Participant Liability

I understand that participation in any activity sponsored by the Council is entirely voluntary, and each participant must always exercise judgment and care to minimize the risk of inconvenience, injury, or death, to her/himself, other members of the council, and all other persons. The Council serves only as a sponsor of activities and its officers and members will not be responsible or liable for any inconvenience, injury, or death that occurs during or as a result of participation in a sponsored activity.

If you should become injured or ill while on a MDSC Trip/Event and are unable to return home with the group, you are then responsible to make the necessary arrangements and pay the applicable costs. The Council will attempt to recover costs of components of the trip that you were unable to utilize, however, in many cases most components are non-refundable. It is always recommended that you purchase trip insurance (from a third party) to protect you in these instances.

Upon signing up for an event, I understand that I am responsible for the full individual member (or nonmember) cost of the event, unless refunds are applicable as described below.

Event Cancellation Policy

The MDSC reserves the right to cancel any event at any time. If an event is cancelled, all monies received will be refunded.

Participant Cancellation Policy

Any Participant who wishes to cancel from an event must, contact the trip leader with a verbal notification and a written notification. Reservations are **Not Transferable**.

If a Participant cancels **and no Wait List exists**, the canceling person may find a substitute for their spot. A cancellation fee will be assessed.

In the event of a "Wait List", the wait list will take priority over any substitute. A cancellation fee will be assessed.

Whether a substitute or wait list participant is found, the Participant will be responsible to pay any expenses incurred as a direct result of their cancellation, even if this amount exceeds the total amount of payments made by the Participant.

Wait List

When trips are filled, by sending the Trip Leader a deposit (check, cash, or money order) you will be added to the wait list. All deposit monies will be held and not cashed until an opening becomes available. The Trip Leader will contact wait list persons in the order that the trip application and deposit were received. Once added to a trip, your deposit will be cashed. All preceding payments, per trip payment schedule, will become immediately due. If you do not participate on the trip, your deposit will be returned to you.

Cancellation Fees

If the trip cost is less than \$50.00, the cancellation fee is the trip cost. All other trips/events have a cancellation fee of \$50.00, plus any costs incurred by the Council to secure your trip arrangements (i.e., room cancellation fees, flight transfer fees, etc).

Exceptions

The MDSC Board of Directors may vote to waive cancellation fees for unusual circumstances beyond control such as serious injury and with acceptable documentation. In any case, incurred expenses will not be waived and full payment will remain the responsibility of the Participant.

Refunds

Refunds are **NOT** automatic. Failure to notify the Trip Leader that you will not be attending, prior to the start of the event, will be considered a 'no-show' and refunds will not be granted (see Exceptions above).

Written request for refund **MUST** be made to the Trip Leader **NO LATER THAN 14 DAYS** after completion of the event. If there are questions regarding refund approval, a second request with detailed explanation must be sent to the MDSC Board of Directors.

Any approved refunds will be issued within **60 DAYS AFTER TRIP COMPLETION**. Failure of trip participant to submit a written request for refund within the specified time above will result in forfeiture of all trip monies paid by Participant.

Payment Policy

Delinquent Payments: Trip participants failing to make payments according to the published schedule will be considered delinquent. Delinquent Participants can be removed from the trip and

replaced by another applicant. Delinquent Participants removed from the trip will be liable for any expenses incurred by the club as a direct result of their removal from the trip, and any applicable penalty/cancellation fees as stated.

Stop Payment: Any trip participant who places a stop payment on a check issued for fees due the Council will have their membership suspended until the total amount of the check plus a \$30 penalty fee is paid to the club. The penalty fee will be in addition to any additional bank charges (such as NSF charges, etc.) and applicable trip cancellation fees.

NSF/Account Closed Checks: Any trip participant whose check is returned NSF or Account Closed will have their membership suspended until the total amount of the check plus a \$30 penalty fee is paid to the club. The penalty fee will be in addition to any additional bank charges (such as NSF charges, returned check fees, etc.) and applicable trip cancellation fees.

Appeals

The Participant has the right to appeal should they disagree with the above Responsibilities and Policies. Appeal must be made in writing to the trip leader and the MDSC Board within 90 Days of trip completion, and the Participant must be available to discuss the appeal in person at a Board Meeting.

Other Regulations

Trip Payment: Cash, Check, or Money Order only

Trip Deposit: Minimum of \$50 deposit is required for trips over \$80, **or** as listed on the trip flyer.

Payment Schedule(s): Fluctuate based on trip costs, and timeline established for full trip payment. **Full**

Payment: Due NO LATER THAN 15 days prior to the trip departure, **or** as announced.

Note: All trips are subject to the current policies and procedures of the MDSC. Any deviation from the above Responsibilities and Policies will be indicated on the specific Trip Flyer and/or other official MDSC communications.
